

Precision PMD

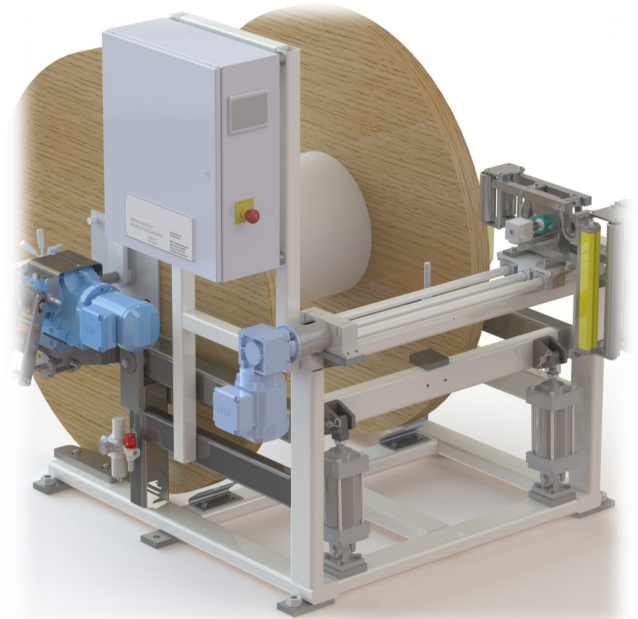

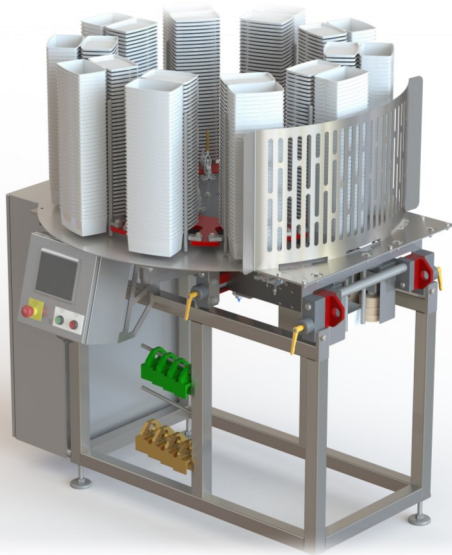

Industrial Applications

Designed and Built to Work...

Precision PMD designs and manufactures machinery for numerous industries. Although the majority of our machinery is found in the food industry, all of our designs can be used in non food applications.

- Winding Systems
- Wet Wipe Loading Systems
- Detergent Scoop Placement Systems
- Strapping Systems
- Paint Can Lidding Systems
- Robotic Placement Systems

CUPS, TRAYS, TUBS, DETERGENT SCOOPS, PAINT CAN LIDS, WET WIPE TUBS AND MORE!!!!
